## ACADEMICS

### SOCIALLY USEFUL PRODUCTIVE WORK

All students of Classes VII and VIII are exposed to various activities which come under SUPW. The purpose of this exposure is to help them hone their finer talents in various fields, give them hands-on experience and to enable them to understand the concept of 'dignity of labour'. The activities which fall under SUPW are Art, Craft, Music, Dance and Home-Science.

### WORK EXPERIENCE

Work experience has been termed as 'Work Education' which occupies an important place in the Scheme of Studies for Classes IX to XII. Its programmes are well-structured and graded.

The objectives of Work Education are:

To help the students develop essential knowledge and understanding.

To guide the students in developing useful and constructive skills.

To develop in the students proper attitudes and Values.

To provide opportunities to students for participating in various social and economic activities inside and outside the class-rooms.

The course is divided into:

- (a) Essential Activities which enable the child to make appropriate use of his/her environment.
  - (b) Elective Activities which include Projects related to Health, Environment, Literacy and the like.
- A student is graded on the above activities at the end of the session.

### THE THIRD LANGUAGE

It is expected that all students study three languages upto Class VIII. These are:

- (a) English
- (b) Hindi
- (c) Sanskrit / French

Those students who do not clear the third language in Class VIII and are promoted to Class IX are examined by the school at the end of Class IX in the same syllabus and text books as are prescribed for Class VIII. Those who are still unable to clear the third language at the

end of Class IX are given another opportunity in Class X. No student is eligible to appear in the Secondary School Examination of the Board at the end of Class X unless he/she has cleared the third language.

## ACTIVITIES AND COMPETITIONS

### Co-Curricular **Activities**

All activities and competitions form an inherent part of the school curriculum. They help develop the overall personality of the students and bring out their hidden talents. They develop in the students a sense of keen responsibility, a systematic approach to work, a logical and analytical mind, leadership qualities and true sportsmanship.

Activities at SFS are divided into the following:

(a) **Inter House Activities** : The entire student body of SFS is divided into four Houses namely Kingfisher, Parakeet, Peacock and Skylark. Various competitions are organised to promote a healthy competitive spirit among the students. Students may take up any of the following activities :

- |                  |                      |

(c) **Workshops / Seminars / Talks** : These are organised for teachers and students to keep them abreast with the latest developments in the field of education and increase their awareness in areas of health and hygiene, environment, prevalent professions and stress management. Class XII students are exposed to various career counselling sessions.

(d) **Trips**: Groups of students from all classes, escorted by teachers, visit places of interest in Delhi and other parts of the country. Such educational trips are to enhance awareness and knowledge of Indian culture and heritage among the students. The school provides opportunities for the students to learn from the pristine beauties of nature and be environmentally conscious of their surroundings. The field visits and educational excursions also develop in them a sense of adventure and achievement and at the same time they become confident and independent.
