

HOLIDAY HOME-WORK (MATHS) CLASS-IV

1. Learn multiplication tables from 12 to 15.
2. Make a chart on the following topics-
 - a) **Parakeet House**-Geometrical shapes with cut-outs or paper folding. For example –joker, train,aeroplane etc.
 - b) **Kingfisher House**- Place value chart on Indian or International System.
 - c) **Peacock House**-Make a model of abacus to show a 5 digit number by using thermocol,spikes ,beads etc.
 - d)**Skylark House**- Show Roman numerals(from 1 to) by using matchsticks
- 3 Use a cardboard and copy a low level SU-DOKU from newspaper and learn the rules to solve it . Fill in the numbers correctly.
- 4 Make a **Fraction wheel**.

ENGLISH

1. You might find snap, crackle, and pop in some cereals- but what can you find in a cornflake? How about more than 18, three – letter (or longer) words, all beginning with C! e.g. Clear, Clone.

O	R	N
F	C	L
A	K	E

2. What are uniforms? Name six groups of people who wear uniforms. Stick pictures of the same in the uniform. Now- If you could design your own uniform what would it look like? Draw a picture of it below and describe your design.
3. Choose a famous historical person. If you could talk to him or her, what would be the questions you would ask him or her and what would you think the answers might be?
4. To make a word chain, each new word must begin with the last letter of the previous word. For example if the category is Famous Indians, a possible word chain would be the following Sachin Tendulkar – Rajiv Gandhi – Irfan Pathan – Narendra Modi.

This can be adapted to any area of study. Now make chain for the following headings:

Countries	Proper Nouns	Food Items
Chile	Vishal	Hot Dog
England	London	Green bean

5. Create your own crosswords (atleast – 3) for your classmates to solve when you meet them after the holidays. Take care, you first solve them yourself and have the answers ready with you. (Get the solved crosswords on separate sheets)

E.V.S.

1. Collect pictures of any 5 different insects or birds that make our world beautiful. Write their habits and habitat. Stick pictures and write some other interesting information about them. Do this work on half chart paper.
2. Prepare a chart showing evolution of human being or any other animal. Stick related picture or also.
3. Collect information about Andaman and Nicobar Islands. Prepare a chart on:
 - a. Map of islands. (Mention – location, climate, population)
 - b. Wild life. (Stick picture of animals seen in islands)
 - c. Paste picture of famous places, history and culture
