

*Hard work always pays off in life...*

*The outgoing Batch of 2017-18 have proven that the age-old adage holds true even today!*

*Congratulations, dear students on your outstanding performance; you have done your school proud. We would like to see you all reach greater heights and achieve success in your lives. We want each one of you to be catalysts of change!*

*Draw inspiration and energy from the things around you...like the rising sun. Once you believe in yourself and have the courage to face the challenges, you will be able to achieve all you desire. Think critically and work sincerely towards your goal and excel in your chosen field. However, in your pursuit of excellence do not forget to be compassionate and kind. Remember, our own actions determine our happiness. God bless!*
